

There is a group of us that love camping / trailering and we have booked into Seal Bay RV Campground from Tuesday, September 18th to **Friday, September 22<sup>nd</sup>**. We can be at the September 18th HCNC general meeting and then head back to Comox area to continue camping with the group. We thought it might be a fun outing to invite other members to join us.

Members interested can get more detailed information in the Members only section, Activities, & Events.

**This is a one-off pop-up event and must be booked during the summer.**
